Dear General Walters:

To save you delving into your files,
I attach your letter to me. This letter was
so very appreciated that I would like
to see much more of you.

This letter however is very urgent;
if you wish to go along, because it is
an original idea to save N.Y. City.

It is urgent because, if you wish
to help, it must be done in time, and
I could have no way in this time, to get
it to the President.

Perhaps you could get this
message to President Ford for me.

Most sincerely,

AT
